

Viewer Icons

LUNA Icons

LUNA was designed to make working with digital content intuitive and simple. Below a list of icons used throughout LUNA.

If you choose to go full screen and eliminate your browser's navigation tools, use the forward and back feature on virtually every page of LUNA:

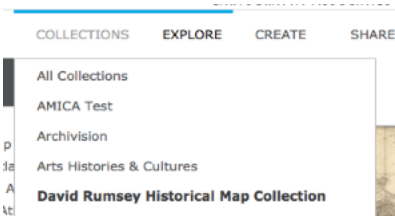

Tools and Settings

 Change to a different tool in the LUNA Suite

 Edit your settings and defaults

Collections

The collection you've selected will display in bold text.

Thumbnail Browsing

 **Related** Indicates that there are other items in the collection related to this media item

 Add image to Workspace

 Add image to Default Media Group
